DEVELOP... ENHANCE... REFINE our teaching toolkit

ART: BE the Thing!

VSA arts of Georgia's 2006 Summer Institute is a professional development opportunity for Arts Education professionals and others. Our goals for the 2006 Summer Training Institute are to educate and sensitize teaching artists as well as classroom teachers to the specific learning needs of students with disabilities. Participants will learn new skills that will help them develop strategies and activities for helping all students learn in and through the arts in an inclusive instructional setting. **How do we develop, enhance and refine our teaching toolkit?**

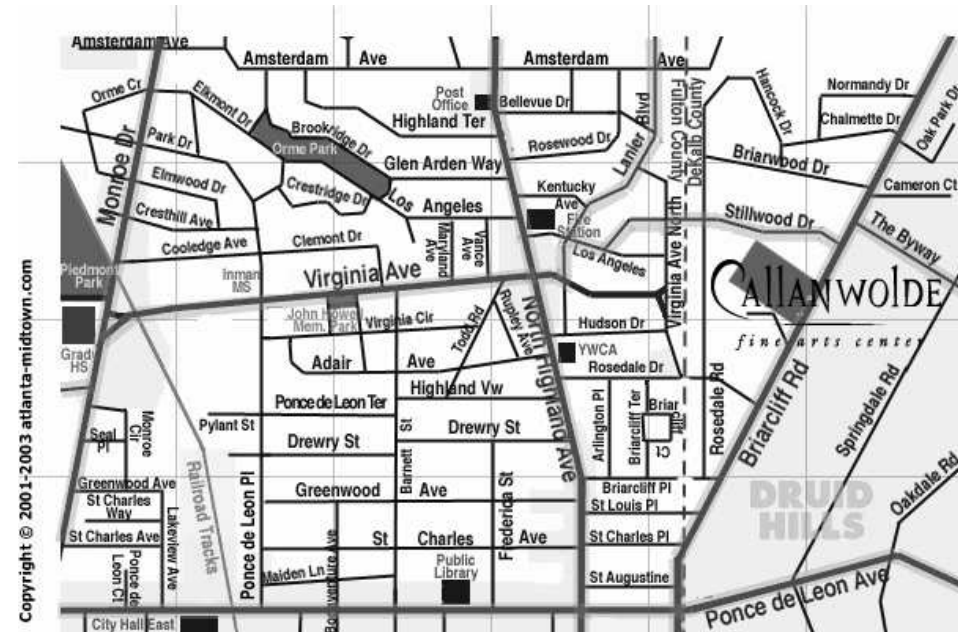

CALLANWOLDE FINE ARTS CENTER (Host Venue)

A hub of cultural and social activity in Atlanta since 1972, Callanwolde is housed in a magnificent 27,000 square foot Gothic-Tudor style mansion built in 1920 by Charles Howard Candler, oldest son of Coca-Cola founder Asa Griggs Candler.

Thriving today as a busy, non-profit community arts center, Callanwolde offers classes and workshops for all ages in the visual, literary and performing arts. Special concerts and arts events are presented throughout the year, as well as gallery exhibitions, outreach programs, fundraising galas and much more!

Callanwolde is located at 980 Briarcliff Road in the historic Druid Hills neighborhood of Atlanta, within a mile of the campus of Emory University and only blocks away from the Virginia-Highland restaurant & shopping district. See location map below:
